

FATALGRAM 23-03

Alaska Department of Labor & Workforce Development
Division of Labor & Safety Standards
Occupational Safety & Health

Date of incident: October 23, 2023

Industry: General Industry

Location: Anchorage, Alaska

Summary: A resident came into an apartment complex leasing office and shot and killed an employee.

Description of Accident: A 34-year-old male was killed by a male resident. The victim died from gunshot wounds while working in his office. Officers responded and found the victim deceased.

Accident Prevention Recommendations:

- Develop and implement zero-tolerance workplace violence policies and procedures.
- Provide de-escalation training to assist employees in identifying varying threat levels and to take appropriate actions necessary.
- Provide workplace violence prevention training to all employees in industries with high potential for confrontation.
